

Spring Grocery List

(March - June)

- Eat **more** foods that are **Pungent (Spicy), Bitter, Astringent / Light, Dry, Warm:** such as flavorful steamed veggies, brothy soups, brown rice.
- Eat **less** foods that are Sweet, Sour, Salty / Heavy, Cold, Oily: such as fried foods, ice cream, heavy dairy, breads.
- **Curious about a food not on this list?** Taste it. If it has 2 of the 3 spring tastes (pungent/spicy, bitter, astringent), it is balancing. Prepare it in a way that is light, dry and/or warm.

Choose Organic and non-GMO when possible. Eat more of your favorite foods from this list.

**An asterisk means that this food is a Spring Superfood. If you like it, eat more of it.*
